BUILDING VALUE: 2023 TECH

The latest techs, tools and
services to increase
productivity and valuation

Presented by **GENE MARKS**

Mobile tech, office collaboration techs, customer relationship management, artificial intelligence, augmented reality, cyber-security...these are only a few of the major technology trends that are having a significant impact on how we do business, generate leads, sell and service our customers, both now and in the future.

Join Forbes and Inc. Magazine technology columnist Gene Marks for a review of the hottest technologies that smart business leaders are investing in today...and preparing their businesses for tomorrow. Gene will discuss how the most successful businesses in your industry are using these technologies to:

- ✓ increase their sales
- ✓ control their finances
- ✓ expand their online presence
- ✓ find/manage/compensate their people
- ✓ service their customers.

Gene will also take a forward look at up-and-coming technologies — cyber-security, AI, robotics, augmented reality — that will affect your industry, and your target audience, over the next decade.

Bring your notepad and make sure your batteries are charged!

GENE MARKS

AUTHOR. COLUMNIST. KEYNOTE SPEAKER. BUSINESS ADVISOR.

A past columnist for both The New York Times and The Washington Post, Gene now writes regularly for The Hill, The Philadelphia Inquirer, Forbes, Inc. Magazine, Entrepreneur Magazine and The Guardian.

Gene has written 5 books on business management, specifically geared towards small and medium sized companies. His most recent is *Want More Cash?: 100+ Ideas And Strategies For Increasing Your Company's Cash Flow This Year*.

Nationally, Gene appears regularly on Fox Business, MSNBC, as well as CBS Eye on the World with John Batchelor and SiriusXM's Wharton Business Channel where he talks about the financial, economic and technology issues that affect business leaders today.

Through his keynotes and breakout sessions, Gene helps business owners, executives and managers understand the political, economic and technological trends that will affect their companies and—most importantly—the actions they can take to continue to grow and profit.

Gene owns and operates the Marks Group PC, a highly successful ten-person firm that provides technology and consulting services to small and medium sized businesses.

Prior to starting the Marks Group PC Gene, a Certified Public Accountant, spent nine years in the entrepreneurial services arm of the international consulting firm KPMG in Philadelphia where he was a Senior Manager.

Gene also hosts two very popular podcasts: Thrive, sponsored by Paychex; and Small Biz Ahead, sponsored by The Hartford Insurance.

Through his keynotes and breakout sessions, Gene helps business owners, executives and managers understand the political, economic and technological trends that will affect their companies and—most importantly—the actions they can take to continue to grow and profit.

TESTIMONIALS

👍 "Good morning, Gene, Without a doubt, your presentation was the best closing session I have ever attended. I know you are doing the kickoff for Symposium and I'm sure I will be saying the same for the kickoff session. Somehow, you managed to make all the tough news entertaining. It was a master class on presenting." — *Lewis Linda Dodd, Learning Specialist, North Carolina Association of CPAs*

👍 "In a word.... WOW! Gene absolutely delivered. He was spot on for our small business members. He packed a lot into 45 minutes and left everyone with something to take away. People were taking pictures of his slides during his presentation. The conversations about his keynote continued throughout the day. People said they emailed him right after he got off stage. Others mentioned that they were emailing their own accountants to find out if the advice he was giving could help them. They found out that they were entitled to tax relief or grants that would basically offset their price of attending our show. That is a tremendous value for our members. We could not be happier. He was fantastic." — *Mike Adamson, President & CEO The Aircraft Electronics Association*

👍 "Gene, I would say in my 30 years of attending presentations, yours was THE MOST: valuable, relevant, properly paced, perfect amount of info; not too much, but enough, excellent humor, and perfectly executed presentation I have experienced." — *Jill Keim, VP Relationship Manager, First Merchants Bank*

👍 "Gene was a huge hit again. We have never brought a speaker in back to back years. Gene certainly was worthy and delivered again!" — *Kevin Gilbride, Executive Director, The Accredited Snow Contractors Association*
