

GENE MARKS SPEAKER INTRO

Gene Marks is a former columnist for The New York Times and The Washington Post. He now writes weekly on the economy, business and technology for The Guardian, The Hill, The Washington Times, The Philadelphia Inquirer, Forbes and Entrepreneur.com. Gene, a certified public accountant, runs a financial and technology consulting firm outside Philadelphia and is the author of five books on business management. He provides commentary regularly on Fox News, MSNBC Fox Business, CBS Radio and for the Wharton School's Business Channel on Sirius XM. Gene is also the host of two popular business podcasts for The Hartford and Paychex.
